DETAILED ACTION

This office action is in response to claims filed 3/9/09.

Drawings

The drawings were received on 5/3/04. These drawings are entered by the examiner.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Linda Groves on behalf of Andrew Ulmer on 6/16/09.

The application has been amended as follows:

1. Claim 25, line 1: Delete "17" and replace with "10"

Allowable Subject Matter

Claims 10, 19, 23-25, and 28-30 are allowed. The reasons for allowance are stated below.

The following is an examiner's statement of reasons for allowance: The applicants arguments filed 3/9/05 were persuasive, Park (U.S. Pub. No. 2003/0120292)

teaches away from having the petals flare away from the tissue. The prior art of record does not teach or suggest alone or in combination an anastomotic device with the direction of the flare away from the tissue wall with a woven tube requiring two strands, each having unattached ends forming loops (see claim 10 and Figs. 22 and 23). U.S. Patent No. 5,725,552 teaches a mesh device with the petals flaring towards the tissue wall, as shown in Figs. 17 and 18, which contradicts the current invention, this device lacks the mesh as claimed and the orientation of the petals as claimed. U.S. Patent No. 6,673,084 teaches petals flaring away from the tissue wall, however this device lacks a woven tube, requiring two strands, each having unattached ends forming loops, and the petal tips as described in the claim. The prior art in alone or in combination does not teach the wire mesh as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MELISSA RYCKMAN whose telephone number is (571)272-9969. The examiner can normally be reached on Monday thru Friday 7:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jackie Ho can be reached on (571)-272-4696. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
